

ATTENTION FLORIDA SHRINE CENTERS

SUBJECT: SHRINE HISTORICAL COMMITTEE
WHERE : AMARA HISTORY CENTER

There will be a meeting of Shriners from all of the Florida Shrine Centers who are interested in forming a state wide committee to collect, preserve and display Shrine artifacts and historical matters. The object is for each Shrine Center to create an area at their location where members and the public can learn more about our fraternity.

I am requesting your Potentate to appoint at least two individuals from his Center to attend and take back what information is offered. Mike Snitkin, FSA President and Don Everett Director General have set the time of the meeting at two o'clock, Saturday, May 8th, 2004 after the FSA parade.

Imperial Sir Jack Jones will be in attendance.

Any questions, please contact Mike, Don or Ed Elgin, PP, Amara Historian, at (561) 627-0419.
